

"A good neighbourhood osteria is something nobody should be denied. A place where you can stop for a vino on your way home from work, celebrate with friends and family when you deserve celebrating, come for dinner and know you'll be looked after by a maitre'd who knows your favourite aperitivo and goes from there. A great local osteria is a home away from home."

Alessandro Pavoni

"Postino Osteria offers an approachable wine list conceived with our locals in mind. Featuring a strong representation of Italian varietals, along with international and Australian staples designed to accompany our food offering. It is also designed to appeal to the wine lover who may wish to enjoy a glass at the bar or in the sun. Salute!"

Maestro's Winery of the Month

Since 1907, St. Michael Eppan has been synonymous with winemaking in the South Tyrol wine region in the Dolomite Mountains of Northern Italy. Nestled at the foothills of this imposing landscape, this fascinating region is greatly influenced by their Austrian and Germanic neighbours to the north.

Precision and attention to detail are paramount in the region and lead to exquisite wines from both indigenous varieties and those imported from France centuries ago, such as Pinot Noir, Chardonnay and Sauvignon Blanc.

We are excited and honoured to be hosting CEO and winemaker, Günther Neumair at a'Mare this month for an exclusive dinner and wish to share these exceptional wines throughout all our venues for the month. Here at Postino we are featuring a selection from the following lines...

The '**Linea Classica**' represent traditional wines that reflect the microclimate and sites of the estate. Produced through a manual harvest they are a lighter, fresher and more jovial experience.

The '**Linea Fallwind**' wines are from vines positioned at the foot of the Mendola Massif ensuring cool nights following regular warm sunny days that give the grapes their extraordinary properties, shaping the fragrance, the unmistakable freshness and longevity of the wines.
