

"A good neighbourhood osteria is something nobody should be denied. A place where you can stop for a vino on your way home from work, celebrate with friends and family when you deserve celebrating, come for dinner and know you'll be looked after by a maitre'd who knows your favourite aperitivo and goes from there. A great local osteria is a home away from home."

Alessandro Pavoni

"Postino Osteria offers an approachable wine list conceived with our locals in mind. Featuring a strong representation of Italian varietals, along with international and Australian staples designed to accompany our food offering. It is also designed to appeal to the wine lover who may wish to enjoy a glass at the bar or in the sun. Salute!"

Ripe, Dark & Full

The full-bodied reds here may be more familiar to the styles we may consider more traditional Australian expressions the likes of Shiraz and Cabernet. The expressions from Italy as well as France certainly have those deep dark fruit profiles and complex tannin structures but also display a level of acidity to enhance the backbone of these wines, making them work well with food.
