

"A good neighbourhood osteria is something nobody should be denied. A place where you can stop for a vino on your way home from work, celebrate with friends and family when you deserve celebrating, come for dinner and know you'll be looked after by a maitre'd who knows your favourite aperitivo and goes from there. A great local osteria is a home away from home."

Alessandro Pavoni

"Postino Osteria offers an approachable wine list conceived with our locals in mind. Featuring a strong representation of Italian varietals, along with international and Australian staples designed to accompany our food offering. It is also designed to appeal to the wine lover who may wish to enjoy a glass at the bar or in the sun. Salute!"

Beverage Director - Ennio di Marco

Maestro's Winery of the Month

Nestled in the heart of Piedmont's legendary Langhe region, **Cordero di Montezemolo** represents an unbroken thread of Italian winemaking history dating back to 1340. For 19 generations, this noble family has meticulously tended the historic Monfalletto estate in La Morra, producing some of the world's most elegant expressions of Nebbiolo and Barolo. Watched over by their iconic, centuries-old Lebanon Cedar tree that crowns the hilltop, the estate masterfully balances time-honoured heritage with modern ecological stewardship. We are proud to spotlight these exceptional wines, which beautifully capture the power, perfume, and profound terroir of Barolo.

The expressions from Italy as well as France certainly have those deep dark fruit profiles and complex tannin structures but also display a level of acidity to enhance the backbone of these wines, making them work well with food.
